LASERBLAST

2000 Square Feet of Excitement!

Whether you play with a group of friends, a Birthday Party, a Group Event, or our Corporate Competitions you are going to have a BLAST playing Laser Tag at Rink Side! Up to 20 can play at once!

After your briefed on how to play (and get tips on getting higher scores!) you enter the arena and tag your opponents with your Laser Phaser. We add to the thrill by playing upbeat background music and adding a fog that allows you to see the beam of your Phaser! The briefing, game, and scores take about 15-20 minutes.

At the end of your match you will see your individual score on the monitor, and if you played as teams, a team score.
